

Preferred Partnership – MemorialCare Health Alliance

The Preferred Partnership option has a broad provider network located throughout the Southern California area. To receive the network level of coverage, you and your family generally need to use providers in the MemorialCare Health Alliance network.

As noted below, for some physician groups, not all physicians in the group may be participating. Please remember to confirm an individual doctor’s participation by using the search tool at www.boeingmcha.org or checking with your doctor.
