Once visit

Step 7: Begin Pre-Visit Check-In process by clicking on the eCheck-In icon.

 Pre-Visit Check-In is a required step to start a TytoCare visit.

Get Ready

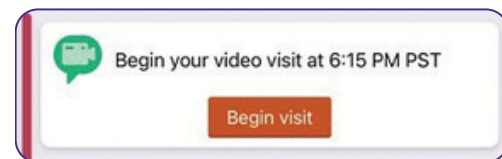

Pre Visit Check In

Save time at your appointment by updating some of your information now.

 Begin

Step 8: A MemorialCare team member from the On-Demand Virtual Urgent Care team will reach out to you via text or telephone to confirm your configuration.

Step 9: When it is time to join your visit, you can tap on the Begin Visit button on your home screen. You will then enter the waiting room where your provider will meet you and guide you through the visit using your MemorialCare Virtual Exam Kit.

 Begin your video visit at 6:15 PM PST

Begin visit

Step 10: At the conclusion of your visit, please remain on the TytoCare visit page and answer the survey questions.
